

"Career must be strategically approached to make it happen."

Sabine Hansen

What our clients say

"The right time, the right place and the right person on board: I had to get clarity what I actually wanted professionally. Through the coaching I was able to set the course for myself and my future path. Always happy to do it again!"

Theresa Winkels  
Head of Economic Development, State Capital Düsseldorf

"The professional support of She4Her made it very easy for me to have a jump start as a mentor in the the RSGV Cross Mentoring Program. By a consistent, well-structured and goal-oriented mentor program designed & directed by She4Her, I was able to offer my mentee a valuable mentoring experience."

Simon Lewandowski  
Director of the Construction Financing & Real Estate Service Department, Sparkasse Duisburg

"Recognising my growth potential, working on my values, and on this basis identify and exploit my future career opportunities in top management, have shaped and continue to shape my cooperation with Sabine Hansen. Given her power, her passion and her humanity, each working session was and is unique and enriching."

Dorothee Heinkel

# WHAT DO WE DO DIFFERENTLY?

We see **diversity** as a **holistic consulting** approach with six building blocks that not only solve current needs but also sustainably integrate the client organisation.

## Our services

### ✓ Executive Search

By designing a competence-based **competence-based profile, systematically searching for candidates according to experience, competencies, company culture and business model, the presentation of the short-listed candidates as well as the support of the on-boarding process**, we enable you to make a best fit and diverse placing for top management positions.

### ✓ Career consulting

With a clear definition of goals, we determine your key competencies according to the STARS model. We also strengthen your social media profile and enable you to have a valuable and trustbased networking experience with target companies and key decision-makers..

### ✓ Cross-mentoring

With our expertise, we support you in the conceptual planning and effective implementation of the mentoring programme so that your organisation can benefit from the positive effects of successful mentoring.

The entire range is available on our website at [she4her.de](https://she4her.de)

## Our team

Selected industry experts and personalities form the core of **She4Her Leadership Consulting**. Our consultants are distinguished by years of consulting and leadership experience in the automotive, real estate, energy, finance and technology industries as well as for the public sector.

We know that we work for leaders ourselves and that our clients rightly have expectations of us:

**Professionalism**

**Loyalty**

**Diversity & Success**

The success of our clients is our success as well, that is our benchmark.

Take advantage of our many years of experience in the placement of top leaders & high potentials!
